

# The CWF VITAmix

**We survived April 15th!** Thank you to everyone who came out to volunteer in the days leading up to the tax deadline as we experienced record numbers of tax filers at our site. We couldn't have survived without you. All sites will stay open through April 27th, and several will remain open through June, so if you haven't completed your 30 hours there's still time!

## APRIL VOLUNTEERS OF THE MONTH

### LISA CHEN

This is Lisa's **first year volunteering at CWF**. Her site manager, Kate Morrow from the **CHOP Karabots site**, says "Lisa is very committed, incredibly reliable, and always willing to step up for an extra hour or even a whole shift. She always asks important detailed questions and is willing to take as much time with the taxpayer as needed to do the best and most accurate return."

Lisa says, "Our tax code is so unnecessarily complicated, and the need for free tax return preparation assistance is so great. I am very happy to be able to utilize my knowledge and experience in tax to help others navigate what can be a very stressful time of the year."

---

### ANTHONY CREAMER

This is Anthony's **second tax season**. He was nominated by his site manager, Lena Smalls from the **CareerLink Northwest** site. "Anthony makes his clients feel welcome before they sit down, encourages them to ask questions about the tax process and he will not hesitate to ask questions to ensure an accurate tax return."

Anthony says, "As a practicing CPA I feel the need to always try to assist others. The CareerLink Team made me part of their family and have been very generous in providing hugs and general good vibes at every session. I am inspired by meeting our clients and learning how their work makes lives better for others in our community."
