VOLUNTEER NEWS AND UPDATES

FEDERAL REFUND COUNTER

5 9 5 2

We are wrapping up the sixth week of tax season and CWF has already filed 5,952 federal returns.

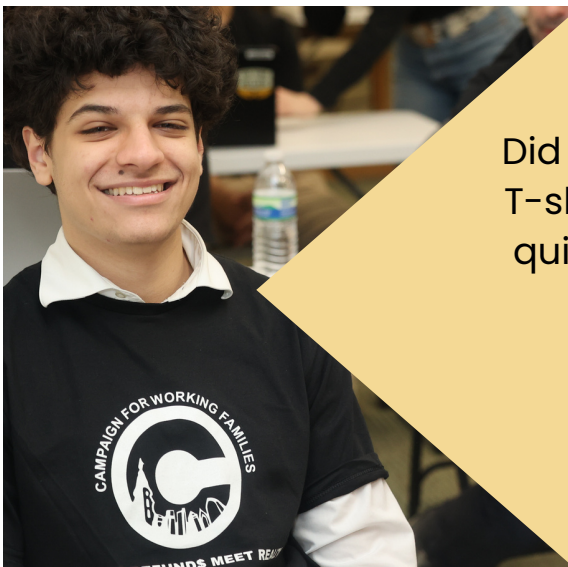

We are half way there and expecting it to get even busier in the coming weeks. If you haven't signed up for a shift already, what are you waiting for?! [Click here to sign up for volunteer shifts on our portal today.](#)

MEET THE INTERNS

Did you know CWF has a team of wonderful interns spread out at tax sites all over the city? Hear what they have to say about their experience so far below!

"My favorite thing about interning at CWF is working with people that are passionate about the work they do and the communities they serve. Everyday, I am able to learn something new. CWF is a wonderful place to work!"

CAROLINA SOTO

School: Community College of Philadelphia

Tax Site: Northeast Super Site & OCCDA

"I love the community that you join when you work at CWF. My site is like one big family and has worked together for many years. Despite being new, they welcomed me in and took care of me. You can clearly see there's not a lot of ego - you don't get that in a lot of other places. "

DEVONTE GILLESPIE

School: Community College of Philadelphia

Tax Site: CareerLink Northwest

"I really admire how easy and efficient CWF has made the tax prep process for the community. Everyone is extremely friendly and I never feel uncomfortable asking lots of questions. I am so grateful to the CWF staff for always helping me broaden my knowledge!"

Northeast Staff

Northeast Supersite is one of our busiest and most well-known tax sites. This year they are working in conjunction with a new CWF site, Oxford Circle Christian Community Development Association (OCCCDA) to help prepare their drop-off files. VITA-certified Northeast and George Washington High School students are volunteering at OCCCDA to help meet high demand in the Northeast area. These students, with the help of their teachers, are gaining valuable professional experience, while providing free tax prep to families in their community. Of course, they can't do it alone. Both of these sites need more volunteers. You can help by [registering for shifts](#) at NE & OCCCDA and saying hello to these friendly faces!
