What Does a Quality Reviewer Do?

As a **Quality Reviewer**, you will:

- **Ensure Accuracy:** Review tax returns prepared by other volunteers to confirm that tax law has been applied correctly.
 - **Prevent Errors:** Use tools like Form 13614-C, taxpayer interviews, and supporting documents to catch potential mistakes before they're submitted to the IRS.
 - **Collaborate & Mentor:** Work closely with volunteer preparers to explain any necessary corrections and provide guidance on tax law, creating a learning opportunity for everyone involved.
-
